

X-keys 3 Trigger Switch

A light weight, hand held switch with three buttons. Perfect for timing applications, teleprompting control, or live presentations. Designed to mate with our X-keys USB 3 Switch Interface. Wired to a 3.5mm TRRS plug.

- Perfect for timing, prompting, or presentation triggers
- Mates perfectly with our X-keys USB 3 Switch Interface
- 3.5mm TRRS (Tip-Ring-Ring-Sleeve) plug connects all three switches
- Lightweight yet durable

An optional splitter makes this switch compatible with our X-keys USB 12 Switch Interface.
